

# Shamrock Door Hanger

by Linda Winegar for VisitingTeaching.net

## Instructions:

1. Print on thick white cardstock.
2. Cut out around the shamrock and stem. Outside of the black.
3. Cut out circle in center in order to fit around a door knob.

Optional: Mount on another piece of cardstock to make it thicker. Laminate it to make it last longer.

March 2010 Visiting Teaching Message from the Ensign / Liahona.
