Disclaimer: the real Nissan Murano doesn't have a seat in the back,  
but this is a cartoon paper car, so it's just for fun.

## Instructions:

1. Print in color on white paper or cardstock.
2. Cut out car with sharp scissors on the outside of all of the black lines. be careful not to cut off a tab/flap.
3. Mountain fold all flaps. Valley fold at the base of the front windshield.
4. Add glue to all tabs.
5. Start gluing each tab in place. Glue the base last.

**Mix-n-Match**  
the family car!  
Cut out the custom family graphics & glue them over the windows. Or just leave it without them.
